3 YEAR OLD BRED ANGUS COWS

9 BRED HEIFERS

10 OPEN HEIFERS

www.tessierherefords.com

[@tessierherefords](https://www.facebook.com/tessierherefords)

Welcome to the 2026 Tessier Herefords 9th annual production sale!

As I sit here and write this, I can't help but be amazed at the resilience our cowherd has demonstrated this year. Spring rolled in and we were looking at being on the verge of a terrible drought, but the good Lord truly blessed us, and the rains came at the perfect time.

Heading into summer, we didn't let the grass grow beneath our feet- with Larissa trying to keep the train on the tracks with our feral crew; myself working full time in the oil field; Hayden getting into bull riding; Hadley working at Heart River Ranch, getting into photography; and everybody pitching in during hay season, we didn't much time between oil changes- we were running hard!

Coming into the fall, I thought 2024 was the top on the cattle market, and boy was I wrong! Watching calves tickle \$3000/head; this had me thinking about genetics. There has never been a better time to invest in top-end genetics and utilize cross breeding in your program. It is crucial that each operation becomes efficient; right down to the genetic makeup of each individual animal. Heterosis positively influences many traits that are vital for profitable beef production; including fertility/reproduction, calf survival, calves that gain faster, efficiency and longevity. In addition, replacement females are 8% more efficient, live 38% longer, and have 25% more lifetime production in pounds of calf weaned.

We look forward to seeing everyone that we missed this summer on our ranch tours. I can say without a doubt this is the most even set of bulls we have ever offered. From top to bottom there isn't a bull in the offering that we wouldn't turn out ourselves. We invite you out anytime before the sale to look at the cow herd and view the offering. This one-on-one time is always fun to discuss the goals of your program and helps us make suggestions on bulls that will drive your success. The coffee is always on! See you soon.

Zach, Larissa, Hadley & Hayden Tessier

Sale Information / Terms & Conditions

Saturday, March 7, 2026

Check out our website for further updates, sale bull pictures, videos and view catalog online at www.tessierherefords.com.

LOCATION: 6 miles South of Belfield, ND on Hwy 85 to 43rd St SW, East 1/2 mile to the ranch.

SALE DAY SCHEDULE:

Viewing and Lunch.....12:00 p.m. MDT

Competitive Auction Sale.....2:00 p.m. MDT

AUCTIONEER:

Scott Weishaar.....701-429-6826

SALE DAY PHONE NUMBERS:

Zach Tessier.....701-290-6132

Chad Stoltz.....701-290-0546

Tom Tessier.....701-690-0951

Ryan Casteel - Cattle Business Weekly.....605-423-6000

TERMS & CONDITIONS: Terms of sale are cash, and all settlements/arrangements must be made at close of auction. Terms and conditions are provided by the American Hereford Association.

LIABILITY: All persons who attend the sale, do so at their own risk. Tessier Herefords assumes no liability, legal or otherwise for any accidents that may occur while attending the sale or viewing the bulls.

GUARANTEE: Bulls sell with guarantee for his first 60-day breeding season. If he fails to breed, the seller will provide a suitable replacement, or credit for the 2027 sale. We recommend taking insurance on all bulls purchased at the sale. All bulls will pass a breeding soundness exam prior to delivery.

INSURANCE: Animals will be at the buyer's risk immediately following the sale and we strongly encourage purchasing mortality insurance. Insurance will be available to purchase sale day.

DELIVERY: Free delivery up to 200 miles of sale location. We will start delivering April 1st, a cost of \$3.00 per head per day will be charged to the buyer on bulls left at the ranch after April 1st. We will do our best to try and work with everyone's schedule.

ANNOUNCEMENTS: All announcements made sale day by owner or auctioneer take precedence over printed material.

Reference Sires

BCC SUNRISE 243K ET

Reg: P44362272 DOB: 2/06/2022 Tattoo: 243 POLLED

CED	BW	WW	YW	MILK	M&G	REA	MARB	CHB
10.9	-2.0	64	96	30	62	0.45	0.28	133

We chose Sunrise for his calving ease. Every calf came fast and took off growing. BCC raised a really great calving ease bull in 243K.

TH FRONTIER 174E

Reg: 43818822 DOB: 11/19/2018 Tattoo: 174E POLLED

CED	BW	WW	YW	MILK	M&G	REA	MARB	CHB
8.2	0.5	73	122	50	86	0.59	-0.13	108

Frontier has been our go to choice in bulls that have such consistency; it's hard to go wrong on him. 174E females are powerful brood cows that perform and hold condition.

TESSIER COUNT DOWN J047

Reg: P44321040 DOB: 3/20/2021 Tattoo: J047 POLLED

CED	BW	WW	YW	MILK	M&G	REA	MARB	CHB
3.6	1.5	55	92	30	57	0.12	0.13	114

Count Down was our high selling bull in our 2022 sale, going to RD Andes. J047 progeny have been stand-outs all year; they have excellent structure, are heavy muscled, and grow extremely well.

NJW 202C 173D STEADFAST 156J ET

Reg: P44276463 DOB: 2/02/2021 Tattoo: 156J POLLED

CED	BW	WW	YW	MILK	M&G	REA	MARB	CHB
9.2	1.4	62	97	36	67	0.93	0.37	195

When we saw Steadfast, we knew we wanted to incorporate his genetics into our program for his carcass merits. 156J is the first NJW breeding we have used and we are happy with the results.

1

2455 TESSIER MC LUVIN

Reg: P44728617 DOB: 4/18/2024 Tattoo: 2455

ADJ

658

Mc Luvín is hard to miss in the pens he has the rugged badlands rancher bull look with a huge middle that ties in to an expansive hind quarter with adequate bone structure to stay sound for years to come. You may have seen the videos of Hayden on facebook riding this bull; so he could be considered dual purpose: if you have a saddle horse come up lame just throw a saddle on him; he's that gentle.

 WCC 73A 358C ELLIE 2E P43826639
 BROOKVIEW 31Y ALPHA 73A P43395441

Ellie 2E is bringing another top end bull to the sale.

Vindicator is soggy-made, big-ribbed, correct-footed, and as gentle as they come. It's really hard to put this bull in the sale, knowing the quality and maternal driven females behind him, but we can't keep them all. Vindicator will be a bull that will make a big impact in any program; combine calving ease with growth and you get a very balanced set of traits that is highly desirable. Retaining 1/2 semen rights.

10

2542 TESSIER FRONTIER

**2507**

When calving heifers, you truly will have a Sunday Funday with lot 17, as he came fast at 52lbs, and his Frontier-bred mother, 2322, brought him across the line in the fall, adjusting at 619. Big time spread from birth to weaning makes for great ADG on grass. These genetics will keep the rancher successful for many breeding seasons; a true investment in your future here. Half brother to lot 13.

Count On is quite unique bull, as he is a twin, and grew out well. 2546 has a smooth shoulder, and added length of spine, with plenty of correct bone structure under him to make a nice set of females. The Count Down progeny were a fan favorite in the sale last year. We bred 70 percent of our cow herd to Count Down this year, and can't wait to get them on the ground.

Leading off the Angus portion of the sale, is a bull we have watched grow rapidly all summer long. This Checkmate son has added spring of rib, that ties into a large hind-quarter, all wrapped up in a calving-ease smooth shoulder. This big time spread bull can go on heifers or cows with ease.

22

2558 TESSIER COALITION

304 is the product of many years of friendship between the Oe's and Tessier crew. One winter we were over at Doug and Katie Oe's place, admiring their replacement heifers, and we knew we wanted some cows that carried the HMC and 3 reverse 3 brand. After mating 271 to Coalition, we got the 304 female that fired well on Checkmate. The history behind this bull is one of 3 generations of family friendships that we are blessed with.

Lot 25 is a heifer-safe bull with proven genetics. Logo 393 was born unassisted out of a two-year-old heifer, showing natural calving ease, and his sire has delivered consistent results. He offers the calving ease heifers need, with the growth that pays.

JE, Presley, Jude, Dak & Wes Cooley

The Cooley Ranch was established in 1956 by my grandfather, Glenn Cooley, and today I am proud to carry on the operation as the third generation, alongside my wife, Presley, while raising the fourth generation. We are blessed with three sons – Jude (5), Dak (3), and Wes (2) – with a fourth son expected in May. For the past thirteen years, we have focused on producing quality commercial bulls, carefully selecting sires that complement our cow herd and continually striving to improve genetics, functionality, and overall performance.

COMMERCIAL COW 006

Lot 27 is a thick-made, deep-ribbed bull with added capacity. He is very gentle and easy to handle; making him a pleasure to work with. His structural soundness and body type indicates strong maternal potential, that sires quality replacement heifers. A solid cow bull offering substance, disposition, and functionality.

Pat Wanous & family, along with Artie Hanson, came to our very first live sale 8 years ago, sparking a long term friendship. Since then, they have purchased multiple bulls & females from us, that Pat's daughter, Amy, has gone on to show successfully throughout ND. Pat purchased Distinction from us; which we will use heavily in our program. You can buy with confidence, as these genetics come right from the heart of the Tessier Herefords program.

 LADY 279Z OZZIE D6115 (6115) P43706589

Amy Wanous' bull, Stud Muffin, is one cool dude. D10 has a square, deep hind quarter, added depth of rib, and that herd bull look through his front quarter. Here's one to put back on baldy cows. Maternal brother to lot 19. Stud Muffin will definitely attract attention in the sale pens.

30**TESSIER BRED 3 YR OLD COWS**

We need to make room for more incoming registered heifers, so here's your chance to hand-pick 5 commercial angus cows; bred to Cooley Angus and Tessier Hereford bulls. This is a deep set of functional, high performing females. If we didn't need the room, we wouldn't sell these. This is a big-time opportunity that doesn't come often.

31**COOLEY 9 BRED HEIFERS**

This deep set of high performance bred heifers is the product of years of selective breeding for maternal driven females. The baldies are out of Tessier Hereford bulls, and the blacks are bred to Tessier Hereford bulls. You'll be glad to be calving in the sunshine with these May calvers.

**32****WANOUS OPEN HEIFERS**

Pat & Artie are bringing us 10 open heifers, consisting of 5 hereford and 5 red baldie females. These are the product of years of breeding to Tessier Hereford bulls. All the bulls were selected from the top end of our sale. With Hereford bred heifers being highly sought after, here's your chance to get in on the ground floor.

BRAND THE BOARD

We would like to invite our bull buyers to bring their branding irons and add their brand to the board after the DEMAND THE BRAND SALE.
